SEADRY HIGH PERFORMANCE DESICCANTS – EFFECTIVE LONG-TERM PROTECTION AGAINST MOISTURE

SeaDry offers sustainable benefits:

- ✓ no moisture-related damage to cargo,
and therefore no complaints
- ✓ unimpeded customs clearance in the country
of destination due to mould-free cargo
- ✓ small number of pieces per container required,
resulting in low labour costs and low disposal costs

Compliant under food law (national & EU)
for long-term storage with indirect contact*
